4th Member:

5th Member:

(The outside member is Prof. _____ of _____)

Department/School

Indicate with an asterisk (*) the committee members above who are supervising a paper.

*The major examiner for a field is the faculty member who supervises the preparation of your field bibliography. This person generally, but not always, also supervises the paper in that field. All of the faculty members supervising your field bibliographies must be on your committee. At least one of the faculty supervising your research papers must be on your committee.

Proposed Chairperson of the Qualifying Examination:**Proposed Chairperson of the Dissertation Committee:**

The chairs of both your qualifying examination and your dissertation committee must be School of Social Welfare faculty. (In rare cases, an outside member may chair or co-chair your dissertation, if that person has expertise in your dissertation field not found among social welfare faculty.) The same person may not chair both your qualifying examination and your dissertation.

Examination to be Held in: _____
