

About Summer Funding Requests:

All Berkeley Social Welfare master's and doctoral students use this form to request supplemental funding support for Summer Sessions. Summer Funding Requests are prioritized for students who need to complete academic or field education units during Summer Sessions. Special summer research projects or academic enrichment activities may also be considered as departmental funding availability allows. To be eligible for departmental summer support students must 1) be registered for Summer Sessions units, and 2) have no more than two Incompletes currently on record.

Please complete all sections below and return to Graduate Student Services in 120 Haviland Hall.
