---

|  |                   |
|--|-------------------|
| Family Self-Sufficiency Field Emerging Scholar, Research and Evaluation Conference on Self-Sufficiency | 10/2020           |
| Upjohn Institute Early Career Research Awards  | 03/2019           |
| Society for Social Work and Research Outstanding Social Work Doctoral Dissertation Award               | 01/2017           |
| Presidential Award, Dept. of Social Work, National Taiwan University                                   | 09/2001 & 02/2002 |

### **GRANTS & FELLOWSHIPS**

---

|   |         |
|---|---------|
| Family Self-Sufficiency and Stability Research Scholars Network (2020-2025), Administration for Children and Families | 01/2020 |
| Regents Junior Faculty Fellowship   | 06/2018 |

|  |                   |
|--|-------------------|
| New Directions in Basic Income Workshop Training Grant, Policy Solutions at University of Michigan and Stanford Basic Income Lab | 05/2018           |
| Institute for Research on Labor and Employment Research Grant  | 05/2017           |
| Washington State Labor Research Grant  | 04/2015–06/2015   |
| Teaching Poverty 101 Workshop Training Grant, Institute for Research on Poverty, University of Wisconsin–Madison                 | 05/2015           |
| Training Grant, Center for Statistics and the Social Sciences, University of Washington (UW)                                     | 01/2015           |
| Social Policy Research Fellowship, West Coast Poverty Center, UW   | 02/2012–06/2014   |
| Survey of Income and Program Participation, Introduction & Advanced Workshops Training Grants, University of Michigan            | 06/2013 & 06/2014 |
| Fragile Families Data Workshop Training Grant, Columbia University   | 07/2013           |
| Studying Abroad Scholarship, Ministry of Education, Taipei, Taiwan   | 08/2010–07/2013   |

## **RESEARCH INTERESTS & EXPERIENCE**

---

### **Interests**

Poverty and income inequality, social welfare policies and programs

### **Experience**

**Racial Equity in the TANF Service Delivery Path to Family Stability and Self-Sufficiency, *Principal Investigator*** 01/2020–present

Collaborating with the California Department of Social Service and the UCB-UCLA California Policy Lab; evaluating the policy effects of the recent CalWORKs reforms on the marginalized families with children.

**Social Equity of the Welfare Devolution Revolution: Examining CalWORKs Implementation in California, *Co-Principal Investigator*** 02/2019–06/2020

Collaborating with Dr. Lucia Lanfranconi at the Lucerne University, Switzerland; analyzing cross-county welfare-to-work service indicators and conducting interviews with program administrators, frontline workers, and service users to examine the social equity issues in the CalWORKs service delivery systems.

**The Gendered Effects of Unemployment Insurance Modernization Provisions on Benefit Receipt and Employment Patterns among Unemployed Family Caregivers, *Principal Investigator*** 09/2018–present

Using 2008 SIPP panel data merged with state unemployment insurance policy dataset to examine the gendered effects of UI modernization on benefit receipt and subsequent employment outcomes among workers having responsibilities for family caregiving.

**Multiple Income Support Program Participation and Long-Term Employment and Earnings Trajectories among Single-Mother Families,** 05/2017–present  
*Co-Principal Investigator*

Collaborating with Dr. Chi-Fang Wu at the University of Illinois at Urbana-Champaign; using 2008 SIPP panel data to investigate patterns of multiple program participation and employment outcomes.

**A Comparative Study on Poverty Dynamics in Taiwan and Southeast China,** 04/2017–present  
*Co-Principal Investigator*

Collaborating with Dr. Julia Shu-Huah Wang at the University of Hong Kong on qualitative analysis of long-term poverty experience among households in Taiwan and Shanghai.

**State Social Safety Net Programs and the Great Recession,** 08/2014–06/2016  
*Principal Investigator*

(Three-Paper Dissertation Research Project)

Study 1: Longitudinal evaluation of the policy impacts of Unemployment Insurance modernization on economic security of working families  
Study 2: State comparative research on Unemployment Insurance designs  
Study 3: Qualitative case study on Washington State’s legislative reform of the General Assistance program

**Chinese Children and Health Well-Being: Low Birthweight and Obesity Determinants and Disparities,** 01/2015–06/2016  
*Pre-doctoral Research Associate*

Collaborated with Dr. Melissa Martinson at the University of Washington and Dr. Wen-Jui Han at the Institute for Social Development at NYU Shanghai on developing cross-national research partnership; conducting an analysis of childhood low birthweight and obesity.

**How Safe are State Safety Nets?** *Pre-doctoral Research Intern* 06/2011–06/2016

Collaborated with Dr. Marcia K. Meyers at the University of Washington, Dr. Janet C. Gornick at the City University of New York and Dr. Sarah Bruch at the University of Iowa on analyzing policy indicators of ten social safety net programs; performing model-based cluster analysis on changing state welfare regimes from 1994 through 2014.

**Economic Security of Working Families and Income Support Programs in Washington State,** 10/2013–07/2014  
*Principal Investigator*

(Social Policy Fellowship Research Project)

Collaborated with the Washington State Budget and Policy Center on investigating economic well-being and social program participation of

working families using large scale Census datasets (i.e., CPS, ACS, and SIPP).

**Race, Class, Place, and Educational Attainment for African American Students, Co-investigator** 01/2011–07/2011

Performed geographically weighted regression analysis to examine the interaction effects of race, class, and place on educational attainment.

**Social Survey on Taipei 1206K03 Demolition in Zhongzheng District, Principal Investigator** 05/2007–09/2007

Conducted a social survey on economic well-being and social needs of disadvantaged residents and offered recommendations for house demolition and relocation compensation policy in Taipei City.

**Microenterprises of Low-Income Women, Principal Investigator** 04/2005–06/2006

Conducted interviews with low-income women enrolling in governmental asset-building/micro-credit programs and offered recommendations for social assistance and work support policies in Taiwan.
