| <b>Declaration of Fields of Expertise for the Qualifying Examination</b> |
|--|

**INSTRUCTIONS:** The **fields of expertise** may relate to the QP, must represent two broad and important bodies of literature related to their dissertation. Examples of broad fields of expertise include: poverty & mental health; child development & intimate partner violence; substance abuse & implementation science). The Fields of Expertise must be declared, minimally, in the semester prior to oral examination. Please submit the Fields of Expertise form to the GSAO with signatures of all committee members for approval by the Doctoral Chair. Only after Fields of Expertise have been approved may a student schedule the Qualifying Examination.
