

Reminder: Please respond by April 15

Dear Newly Admitted MSW Students,

We hope this message finds you well.

We are writing to remind you to **please respond to our offer of admission for the fall 2020 semester by next Wednesday, April 15**. To reply to your admission offer, please log in to the status page of your UC Berkeley Graduate Admissions Application account.

We are eager to learn of your decision as we begin to plan for our incoming class this fall. As those plans take shape we will post any new information or updates on our [Newly Admitted MSW Students web page](#). You are also welcome to continue reaching out to us by email (swadm@berkeley.edu) with any questions you may still have as you make your decision. We can also set up a time to speak with you by phone or video call/teleconference - just send us an email to request an appointment.

Please also reach out if you need to request an extension to the April 15 deadline. Although we hope to learn of your decision as soon as possible so we may move forward with fall planning, we will work with you on an individual basis if you might need a little more time.

After April 15 we will begin communicating with all incoming students to help ensure a smooth transition to your new graduate career. We will also be reviewing our wait list for the potential of making additional offers, as well as re-allocating any departmental financial support awards that were declined. For these reasons it's important we hear from you by next Wednesday, April 15 in order to reserve your space in the MSW Program for fall 2020.

Very best regards,

Berkeley Social Welfare Admissions Office
