

Berkeley Social Welfare: New Admit Updates 3/18/20

Greetings Newly Admitted MSW Students,

We hope you are all well!

We're writing to let you know that **our departmental priority deadline for accepting your offer of admission has been automatically extended to April 15**. If you need more time beyond the April 15 deadline, please let us know by reply email to swadm@berkeley.edu.

To reply to your admission offer, please log in to the status page of your UC Berkeley Graduate Admissions Application account.

If you have already accepted admission, congratulations! We're looking forward to welcoming you in the fall. You should be following onboarding instructions you'll receive by email once you've accepted admission.

While our plans for some virtual new admit welcome activities have been delayed, we are working to update our [Newly Admitted MSW Students web page](#) with as much information and answers to frequently asked questions as quickly as possible. Please keep checking that page for updates! You can now also submit an FAQ there - see the "submit a question" link under the "New Student FAQ" drop-down tab.

Although our building is currently closed and we aren't making in-person advising appointments for the time being, please know we're here to answer your questions. We will also keep you informed with regular updates as we look forward to welcoming you this fall!

Warm regards,

Robert G. Teague, MSSW
Assistant Dean, Admissions and Student Affairs
